LuxePad

Ultra-thin Bluetooth Keyboard for iPad

LuxePad is a brand new Bluetooth keyboard from Genius that brings you more convenience when you're using your iPad.
Use LuxePad on your desk, your lap, or anywhere within 30 feet of your iPad - all because of its built-in Bluetooth technology. Its compact design takes up less space on your desktop than full-size keyboards, so you have extra room for other gadgets. The scissor type key structure is ultra smooth and provides great tactile feedback. Use specific function keys for one-touch access to a variety of iPad features.
Contact your sales representative for more information about ***LuxePad***.

Compatible with iPad

Advanced Bluetooth Solution

Specific function keys

Bluetooth delivers wireless operation and low power consumption.

Use the on/off switch when you're away from your iPad for certain time.

Scissor-type key structure for ultra smooth and great tactile feedback.

Use the **mini USB cable** to charge the built-in Li-ion battery from a notebook or PC.
